

For Buying the Pearl software and **getting full version keys** the procedure is

1. Go to <https://kpaf.in/notification-full/> and pay the product cost by transferring money to bank & **upload payment details to form below**

The screenshot shows a web browser window displaying a notification form on the KPAF website. The form is titled "Buy Full Version" and includes several sections for user information and payment details. The "Bank Details" section is highlighted in yellow and contains the following information: Bank: Kalyan-Indusbank, Current Acc number: 228310000462, IFSC: KIBL0000009, MICR: 99999999, and a note to upload transaction details. Below this, there are input fields for "Name of Customer", "Mobile Number", "Customer Email ID", "Amount Paid", "Bank Name", and "Bank Transaction ID". A "Receipt Attachment" section has a "Browse..." button and a "File not selected" message. At the bottom, there is a "Download" button and a note: "Please fill the below form for getting activation key in your registered email (Please check in Spam folder)". The website header includes the KPAF logo and navigation links like Home, About Us, Features, etc. The browser's address bar shows "https://kpaf.in/notification-full/" and the Windows taskbar is visible at the bottom.

2. Upload the **payment receipt photo** also
